

ABLE LIBRARY
@ VERMONT
DEPT. OF
LIBRARIES

*The National Library
Service for the Blind
and Physically
Handicapped
administers a free
nationwide program
of recorded materials
and braille for blind,
visually impaired,
physically
handicapped, and
reading disabled
persons. The ABLE
Library is Vermont's
library in this network.*

Large Print Books

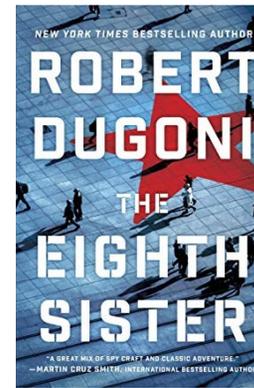

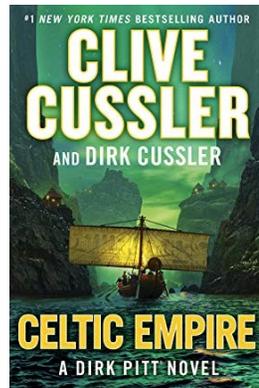

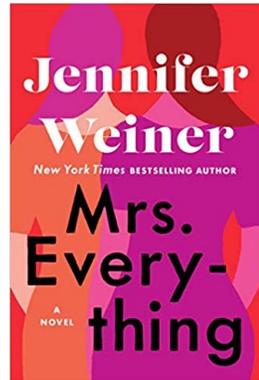

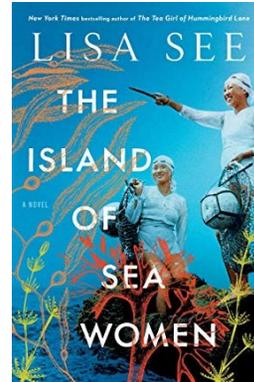

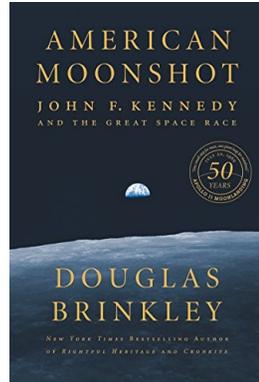

The ABLE Library has 9,000 large print titles available to your library through **deposit collections**.

These books can be temporarily added to your catalog to enhance your collection and provide a greater selection to patrons at no cost. The books check out for 3 months and are shipped via USPS in our containers as Free Matter.

With your user ID and password, you can access large print books from our OPAC at <https://webopac.klas.com/vt1aopac/>.

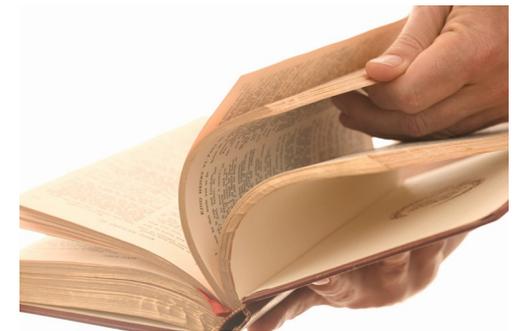

Large print books are also available through Inter-Library Loan (ILL) at <https://libraries.vermont.gov/services/ILL>.

New Titles

Best Practices

- **Shelve large print with regular print editions to improve awareness and circulation.**
- **Patrons who depend on your homebound and mobile services may prefer and/or need large print.**
- **Senior patrons want to read what everyone else is reading but may need a larger print.**
- **Feature large print on your library's web page to let visitors to your site know that it's available.**

*Don't stop reading
when the print gets
too small!*
